

## Dreams and Pride

What are two lessons from Daniel 4?

Was Nebuchadnezzar an aspired writer?"

What do the wise men of Babylon represent?

What word did Nebuchadnezzar use for an angel?

Why did God use dreams often in the Old Testament?

What is the biblical definition of discernment?

What is the foundation of all sin?

James 4:6 (ESV)

<sup>6</sup>But he gives more grace. Therefore it says, "God \_\_\_\_\_ the \_\_\_\_\_ but gives grace to the \_\_\_\_\_."

Where is the only place we can find truth about God?

### **This Week's Verse**

Colossians 2:8 (ESV)

See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ.

### **This Week's Prayer**

Father, forgive me when I live as though You are not sovereign. Forgive me when I fail to recognize my prideful heart. Jesus, thank You for saving me by grace, providing an unobstructed way into the presence of God. Holy Spirit, teach me to trust God's word, teach me His revelation is sufficient for my entire life.

Holy Spirit, come alongside me and help me to discern truth in the difficult confusing culture I live in. Oh God, thank You that You are totally for me and not against me and have a great future for me.
